

INVITATION ALEXA WORKSHOP IN ROME

Photo: Moa Khalil

APPROACH TO CINEMATOGRAPHY with Darius Khondji AFC, ASC

Cinematographer Darius Khondji AFC, ASC, who has worked with directors such as Woody Allen (*Anything Else*, *Magic in the Moonlight*, *Midnight in Paris*), Danny Boyle (*The Beach*), Roman Polanski (*The Ninth Gate*) and James Gray (*The Immigrant*), will share his approach to lighting and visual story-telling in a unique three-day workshop. For this intensive overview of his creative processes, covering everything from preproduction and on-set techniques to final color grading, Khondji will be joined by **first assistant director Mishka Cheyko** and will work with an **ALEXA XT Studio** and **ARRI/ZEISS Master Anamorphic lenses**.

The workshop has been organized by **Shot Academy** in collaboration with the **Italian National Film School – Centro Sperimentale di Cinematografia**, and will take place in **Rome from 21st to 23rd September 2016**.
